\$500 REWARD

Offered by the manufac-
turers of Dr. Sage's Catarrh
Remedy, for a case of Catar-
rh in the Head which
they cannot cure.

SYMPOMS OF CATARRH—Dull, heavy
headache, obstructive pain in the nasal passages,
dolorous feelings from the nose, etc., the throat,
sometimes dry, watery, and acrid; at others,
thick, tenacious, mucus, purulent, ill-smelling
and purulent; the eyes weak and watery; there is
a ringing in the ears, deafness, indistinct
conception, etc., due to the projection of
offensive matter, together with seads from ulcers;
the voice is changed, and has a "hoarse
twang"; the breath is offensive; smell and
taste are impaired; there is a constant
dryness, especially in the morning; a hacking cough
and general debility. Only a few of the above-
named symptoms are likely to be present in
any one case. Thousands of cases around,
without exception, are treated by hydrotherapy,
rest, in combination and end in the
cure. This disease is so common, more de-
ep and dangerous, or less understood by phys-
icians.

By its cold, soothing and healing properties,
Dr. Sage's Catarrh Remedy is the best
among Catarh, Colds in the Head,
Tyzes and Intestinal Headache.

Sold in druggists everywhere; 50 cents.

"Catarh Agony from Catarrh."
Prof. W. Haasner, the famous mesmericist,
of Utica, N.Y., writes: "In the last two years I
shattered my family physician and got up as
inefficient, and said I must die. My case was
such a bad one, that every day, toward evening,
my voice would be lost for hours, and I could
not speak above a whisper. In the morning
it would clear again, but the throat would
be constricting and clearing out, throat would
almost strangle me. By the use of Dr. Sage's
Catarrh Remedy, in three months, I was a well
man, and the cure has been permanent."

"Constantly Hawking and Spitting."
Thomas J. Rushino, Esq., 202 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh for three years. At times I could
hardly breathe, and when I did, I could not
speak. We had eight months could
not breathe through the nostrils. I thought
nothing could be done for me. Luckily, I was
advised to try Dr. Sage's Catarrh Remedy, and
am now entirely free. It is now manufactured,
and one has only to give it a fair trial to
experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving valuable
and reliable information on all other matters
of interest, will be mailed, postage paid, to any
address, on receipt of a two-cent postage stamp.
